

The Element of ...

What's YOUR Element?

2016

SUMMER LIBRARY PROGRAMS Wellness, Fitness, and Sports!

PRESENTATION

Large Audiences (45 minutes)

Brain Games

Put your brain to the test when we challenge you with puzzles and tasks! We'll introduce you to all of the different ways your brain works and all of the funky ways your brain can adapt.

WORKSHOP

Up to 30 participants (45 minutes)

Human Grossology

The human body is an incredible machine with some slimy, sticky and stinky side effects. Learn about all things gross while engaging in hands on experiments to simulate how our body works.

For reservations and program fees, call (313) 577-8400, ext. 238
or email Outreach@Mi-Sci.org. Exact program content is subject to change.

Upper Peninsula Tour!
July 12 - 21, 2016
